Board Meeting

The Board of Directors will be meeting on Saturday, April 22, 2006 at 12:00 noon in the clubhouse. All co-owners in good standing are welcome to attend.

Lets all be courteous

Parking at Northwest Marine and Foster Boat Works is very limited. Please use common courtesy and park in the North upper parking lot while cruising. If you have more than one vehicle or a large SUV or Truck please park in the North-upper lot. All transient dock rentals are to park in the North upper or lower lot. Please be courteous of our neighbors and do not park directly in front of the condos. **The 57 spaces in front of the Condos are reserved for Condo owners only (this is accordance with the Master Deed of both Associations).** Out of courtesy to our sprinklers do not park on the lawn. The spaces at the South end near the bike rack are for loading and unloading only.

I would like to remind everyone that the NW dumpster is for garbage generated on your boat, not from your home, condo, or cottage. We have over 60 local homeowners and if everyone brought down their household waste we would not be able to accommodate it.

Also, it is against local, state, and federal law to leave hazardous waste and materials in or around any dumpster (oil, antifreeze, batteries, paint, etc.). If you are caught you will be reported to the authorities and prosecuted to the fullest extent of the law.

Please remember that the swimming pool and bathhouse are designated non smoking areas. Due to the close proximity of boats in slips we ask everyone to use common courtesy when smoking so that your neighbors are not affected by smoke.

Boating 2006

The 2006 boating season is off and running. Slips sales have been exceptional with local realtors begging for inventory. 40' slips have been selling for \$60-65,000. 30' slips have been selling for \$38-45,000. On the leasing end, of the 47 slips available for lease, 19 have been leased by the Association and 8 by owners.

Prayers, Love and Best Wishes go out to *Bob P., Bill F., and Roger S.* who all ran into some stormy seas this winter. We all look forward with you to calmer times this summer on the docks.

Spring Fling 2005

“Island Time” Slip #81 says to mark your calendar for Saturday, May 27th, 2006 Bob and Beth Uehlein will once again be hosting the annual Spring Fling in the clubhouse. Everyone should bring a dish to pass and their own table service, and beverage of choice. This years theme is *Margaritaville* so dress appropriately. All *Parrot Heads* are welcome. I imagine that there will be a few blenders churning. The festivities should kick off at 4:00 p.m. This is a great event and the perfect chance to meet your slip mates. HOPE TO SEE YOU THERE!

Donut Man

The donuts for this years launch are provided by Larry Nunemaker of Paragon Marine Services. Larry wants to show his appreciation for all the work provided to him from our Northwest members. If you need any painting, brightwork, waxing, etc., give Larry a call at 231-547-1358. Thank you Larry.

THE BOTTOM LINE -

“Sailing is a good sport. You don't have to beat up the other guy like you do in boxing and football; you just try to outsmart him, and then you go out and have a beer with him”
