Spring 2007

## Spring Launch

### Launch 2007

Northwest Marine Yacht Basin spring launch is scheduled for Friday, May 4<sup>th</sup> starting at 3:00 p.m. and finishing Saturday, May 5<sup>th</sup> with a meeting of all participants in the clubhouse at 7:45.

The launch fee is \$195.00, which includes lunch on Saturday and cradle storage.

All Boats in the upper parking lot must be removed by Monday, May 14<sup>th</sup>.

### Board Meeting

The Board of Directors will be meeting on Saturday, April 28, 2007 at 4:00 p.m. in the clubhouse. All co-owners in good standing are welcome to attend.

### Lets all be courteous

Parking at Northwest Marine and Foster Boat Works is very limited. Please use common courtesy and park in the North upper parking lot while cruising. If you have more than one vehicle or a large SUV or Truck please park in the North-upper lot. All transient dock rentals are to park in the North upper or lower lot. Please be courteous of our neighbors and do not park directly in front of the condos. The 57 spaces in front of the Condos are reserved for Condo owners only (this is accordance with the Master Deed of both

Associations). Out of courtesy to our sprinklers do not park on the lawn. The spaces at the South end near the bike rack are for loading and unloading only.

I would like to remind everyone that the NW dumpster is for garbage generated on your boat, not from your home, condo, or cottage. We have over 60 local homeowners and if everyone brought down their household waste we would not be able to accommodate it.

Also, it is against local, state, and federal law to leave hazardous waste and materials in or around any dumpster (oil, antifreeze, batteries, paint, etc.). If you are caught you will be reported to the authorities and prosecuted to the fullest extent of the law.

Please remember that the swimming pool and bathhouse are designated non smoking areas. Due to the close proximity of boats in slips we ask everyone to use common courtesy when smoking so that your neighbors are not affected by smoke.

### Spring Fling 2007

Mark your calendar for Saturday, May 26<sup>th</sup>, 2007 for the annual Spring Fling in the clubhouse. Everyone should bring a dish to pass and their own table service. Call Eric if you would be interested in hosting this event. The festivities should kick off at 4:00 p.m. This is a great event and the perfect chance to meet your slip mates. HOPE TO SEE YOU THERE!
